Maybelle will report on refuse at next meeting.

Henry advised he answered a PA1 Call that came in. Sewer pipe was hit on Linden St. Henry advised he marked where sewer was, but said he was in fault because the marking was off (when you mark you must be within 18 inches both ways and he was over), but they also went deeper than normal and that is why it was hit. We will receive a bill from A. H. Moyer for the repair.

Henry will be ordering heating oil to fill up for the winter.

John Wolgemuth questioned Henry regarding the DEP report. Henry advised he doesn't think he will do report because there wasn't much that ran out.

He also advised that he broke the vise, will get another one.

Henry also spoke on the GIS System, if you have this it can locate every sewer, water and anything else that is below ground and for every house. Tom Harlan is going to check to see if it will be mandatory in the near future.

Tom Harlan – Nothing

Correspondence received from Zinn Insurance advising they did a policy change to amend property limits per Mutual Inspection Bureau, no additional cost.

Maybelle was asked to check into "The Authorities Membership" and reported what she found out from several authorities. It was agreed to not get a membership from them.

She advised she is working on refuse and trying to lower CINTAS (uniform) costs. She will hopefully have more information for next meeting. John questioned her why Comcast if so expensive, will need to look into.

Asked about properties if they want to put liens on them:

Jason Bender, 25 S Parish Av e., Newmanstown

Pedro Jimenez, 136 E Main St., Newmanstown

Christine Kramer, 322 W Main St., Newmanstown

A motion was made by Hubert Risser to adjourn meeting, seconded by Jan Klaus, all in favor.

Respectfully submitted by
